

## Herod Farm Fell Race Results 2022 (GVS)

It seems there were major issues with the recording of the results for Herod Farm this year. We have extracted the GVS results and checking with Strava etc we have come up with the placings listed below for GVS. On that basis we are awarding fell championship points on these results. If you have any thoughts or think there is a major error in our assumptions, then please contact Kieran.

Chris Randall	33:05
Wayne Grant	33:47
Luke Cafferty	33:59
